Dear Ms. Nichols:

We would like to take this opportunity to thank you for your support of our organization. Your recent donation from your June *Share the Plate* offering in the amount of \$814.00 was an extremely generous one. These funds will go toward providing over 100 additional hot nutritious meals to our homebound clients this summer. The continued support your congregation so kindly bestows upon our program is more than generous, and we are forever grateful.

It is comforting to know that we have such caring and compassionate supporters to help ensure that we can continue to fulfill our mission of feeding the homebound and reducing the alternative of institutionalization.

Again, thank you for your kindness and generosity.

Sincerely,

Kathleen Keuski
Director
