

UUSD Executive Team
September Board Report for October Board Meeting

- Database know-how for Sandy/Breeze
 - Kent Sprunger along with Richard Wheeler will work with Sandy.
- Memorial Service Requests
 - This is not an ET issue, since we have a donation policy, which would be the Board's responsibility to change/update. Then the request would then go to the Landscaping Committee.
- Google docs retention instructions sent out.
- Using the sanctuary for pot luck dinners discussion.
 - UUSD Cares needs to come to ET with the "6" events they are planning with details. Then add to calendar. Sanctuary shouldn't be used unless absolutely needed.
- Google workspace
 - Everyone will have a church Gmail account.
 - What needs to go into doc storage as working docs? Needs discussion
 - EDS training sessions are almost filled
- Nov. 19-20 weekend
 - ET will be involved with the Friday night dinner, but most of us will be involved with other committee time meetings.
 - Sunday BYOL wrap up will be attended by ET
- Retention policy for any needed updates
 - Power Church being replaced by Breeze
 - Constant Contact being replaced by Mailchimp
 - Power Church switch over to Breeze being investigated by the Finance Committee
