Dear Friends of the Unitarian Universalist Society of Southern Delaware,

On behalf of our Board of Directors, volunteers, and those whom we serve weekly, we would like to thank you for your very generous donation of \$736.00 from your "Share the Plate" program. Once again, I very much enjoyed your service and appreciated the opportunity to speak to all of you regarding the Milton Food Pantry and our mission.

We have seen a 55% increase in the number of families served this past year. Over the past twelve months, the Pantry has provided food to approximately 9,695 people in over 2,614 families. That's enough food for 116,000 meals! As you may know, many families continue to struggle with food insecurity at this time, and this donation from the "Share the Plate" program will go a long way to help.

I have enclosed a copy of our annual report, listing our accomplishments and the impact that has been possible because of generous donations such as yours.

Thank you again for your kindness and continued support of the MCFP and the important work we do. We couldn't do it without you! I wish you all a happy and healthy new year!

Sincerely,

Donna Murawski, President Emeritus  
Milton Community Food Pantry
