Dear Vicki,

On behalf of the Board of Directors of the Center for the Inland Bays, thank you for your generous gift of \$359.00 on 5/7/2024. We truly appreciate your support, without which our work would not be possible. Please retain this letter for your records as it serves as your tax receipt.

Contributions like yours are an important source of funds that enable our team, working with our many partners, to conduct scientific research on the health of the Bays, develop innovative ways to restore them, provide Bay education for children and families, and complete habitat restoration projects to benefit the wildlife we hold dear. I assure you that your generosity will be put to good use.

Once again, thank you. The Center is so very fortunate to have thoughtful supporters like you!

Sincerely,

Mark Carter
Director of Development
